

Let's Be Useful

NBEP SCIENCE ADVISORY COMMITTEE MEETING

AUGUST 25, 2020

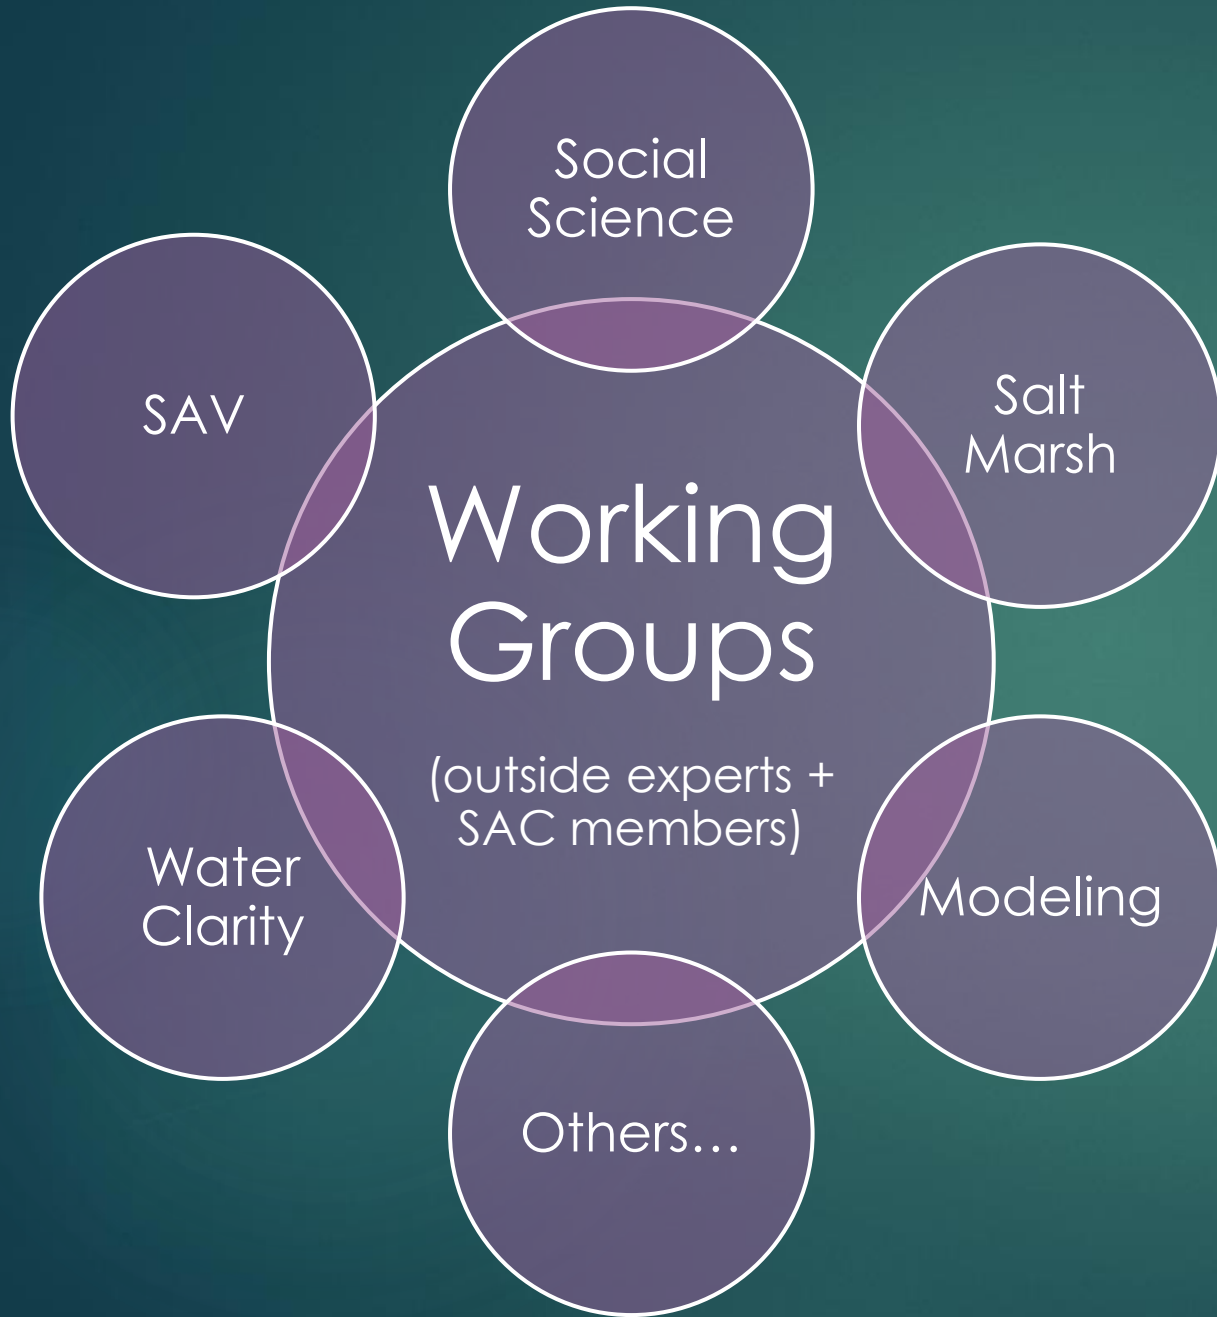

1:00-3:00 PM

Science Updates

Purpose of updates

- Add more information to current indicators
- Explore potential new indicators or new data for existing indicators

KEY CONCEPTS

- Independently convened; open forum
- Purpose-built
- Group consensus on purpose, deliverables, schedules, process, etc.
- Good niche for NBEP based on SC comments and staff skillset

OUTCOMES

- greater coordination
- information exchange
- collaborative next step decision-making
